Group Sustainability Accountant, Scottish and Southern
Energy

Nicola Melville

Senior Specialist Scientist, Scottish Environment
Protection Agency

How to optimise benefits from ecosystem services and **minimise adverse effects** on ecosystems and their services for linear infrastructure route development ?

A word cloud on a black background with the word "Space" in large, bold, light green font. Other words in various sizes and colors (white, light green, blue) are scattered around it. The words include: Funding, Listening, Deadline, Root, Engagement, Cause, Honesty, Joint, challenge, External, solution, Partnership, and Stakeholders.

Space

Funding
Listening
Deadline
Root
Engagement
Cause
Honesty
Joint
challenge
External
solution
Partnership
Stakeholders

“So What?”

- Improved dialogue
- Solving issues earlier on
- £
- Bringing Natural Capital into wider decision frameworks
