

**Jane Stevenson**

Director, Climate Disclosure Standards Board (CDSB)

# Mapping the policy landscape

- Role of natural capital reporting is still being defined, policy landscape in its infancy
- **Reporting Exchange** – making sense of the sustainability reporting landscape
- What is the role of natural capital reporting?
- What are the internal benefits of natural capital reporting?
- How does natural capital fit in with planetary boundaries?
- Are we getting the information we need for decision-making?
